## 自测练习

1 The Urgent Condition of Retaining Traditional Culture With the rapid spread of globalization and other Western and modern cultures, our traditional cultures are facing a huge danger of being abandoned or replaced. 1 Protecting the intangible cultural heritage is now an urgent problem for a country with 56 different ethnic groups!

1 We are all a part of the Chinese nation and are also the maintainers and creators of our long-standing culture. We inherited it from our ancestors, and can not let it go away. 1 The threats of alien cultures are unimaginable, and many of us are even not aware! 2 Foreign goods are being sold all around the country, with foreign thoughts spreading widely, and foreign festivals are also being celebrated. 1 This should never happen in China, for it's eroding our traditions and is trying to split our land into several pieces subtly.

1 The situation is serious and great importance should be attached to protecting our culture from being affected and invaded. 1 These are efforts of tens of thousands of
